Italy, San Giovanni in Fiore. Our shared heritage was truly a special aspect of our family friendship.

Mike lived a life of unprecedented success both professionally and personally. He graduated from Monongah High School, Fairmont State College, West Virginia University, and also received postgraduate education from the University of Virginia, College of St. Thomas, Minnesota, and George Washington University.

He was a tireless advocate for the disabled community, which was recognized not only in West Virginia but on a national level. As the president of the National Rehabilitation Counseling Association and also president of the National Rehabilitation Association International Advocacy Group for Persons with Disabilities, he met with Congress and Presidents Carter and Ford to promote laws for persons with disabilities.

With a heart of gold, Mike passionately served his community, his State and his country. He served for more than 10 years as the Monongalia Country clerk, served as chairman of the Community Advisory Committee, and vice chairman on the national board of the American Heart Association.

Genuinely committed to improving the lives of all West Virginians, Mike helped start the Kennedy Correctional Center and founded the Ronald McDonald House. He also designed and facilitated the building of a memorial honoring fathers and President John F. Kennedy in Star City called "A Father's Love."

Additionally, he served as chairman of the Fairmont State University Board of Advisors, the Klingberg Development Center Advisory Committee, North Central West Virginia Goodwill Board, People Aware of Children Exceptional (PACE), West Virginia Italian Heritage Festival, and St. Mary's Roman Catholic Church.

During his life, Mike received many awards for his incredible works—of which he was most proud, Mike received the National Nathan Hale Award for Patriotism and the F. Ray Power Award for Administration State Director Internationally.

Promoting his family's cultural history and Italian heritage was one of Mike's greatest passions. He made West Virginia and Calabria, Italy, sister states and conducted the twinning process joining Clarksburg and San Giovanni in Fiori, Italy. He also initiated an exchange program with students from the University of Calabria and Fairmont State University. He was rightly awarded the International Award for Achievement and Humanity in Rome, Italy.

Mike took many trips to Italy throughout his life, but there was one trip in particular I know he cherished most. Dubbed "The Oliverio Boys Tour," Mike traveled to the homeland in 2009 with his three sons, Joe, Mike, and Frank; his brother, John; and his cousins, Jason, Maryn, and Nate.

During the trip they were blessed to spend time with relatives and friends in the region and experience the authentic Italian traditions, passion and food. As they walked the streets, natives knew the Americans were in town and that Mike Oliverio had brought his family. They were hosted by many of Mike's second and third cousins, including Mario Oliverio, who had recently been elected President of the Region. It was very important to him to travel around Italy together as a family and to explore their roots. I know it was a special memory he held close to his heart.

Mike was not only reputable and accomplished in his public life, but he was also an unparalleled example of a dedicated family man—a devoted husband, a proud father, and a wonderful grandfather. Much of his success he credited to his late wife, Julia, who supported him in all of his endeavors. His children are accomplished and respected throughout our state.

I will never forget a special dinner my wife, Gayle, and I shared at the Governor's Mansion in 2007 with Mike, Julia, and their family—Joe, Paula, Alyssa, Mary, Christina, Maria, Mike, Melissa, Frank, Amy, Julia, Aunt Teresa Gabriele, and a family friend, Jessica Faulkenberry. It was just two weeks before Julia lost her life to ovarian cancer and we were celebrating her birthday. I remember being touched by the love shared within their family and the strength they had in one another. You see, the Oliverios personify the power of families-working hard, supporting one another, and standing together when times get tough.

Anyone who knew Mike Oliverio can tell about his incredible ability to inspire each person he encountered to live a life of purpose. Personally, I have lost a dear friend and mentor. And although he will be forever remembered for his many years of service, he will also be remembered as a loving father, grandfather, and friend. He was truly a local legend in our State, and though he will be greatly missed, his legacy will always live on.
